I. LOG IN INSTRUCTIONS TO THE iCSO DATABASE FOR NGOs IN CONSULTATIVE STATUS WITH ECOSOC ONLY

A. LOGIN AND PASSWORD

All NGOs in consultative status with ECOSOC have a **registered profile in the integrated Civil Society Organizations System**, developed by the Department of Economic and Social Affairs (DESA), also called [iCSO database](#) and should be able to log in with the login and password they have received on [United Nations Civil Society Participation \(iCSO\) – Login](#).

If you are not in possession of the password but have access to your NGO username and main headquarters email address in your profile in our system, you may retrieve your password by clicking on the following link: <https://esango.un.org/civilsociety/newLogin.do?locale=en>. After clicking on "**Forgot your password?**", enter the NGO username and email address registered in the NGO's profile section and click "Submit". You will then receive another link, which will be valid for 24 hours, which will enable you to update your password.

If you do not have access to the username and/or email address registered in your NGO profile in the iCSO database, a new login and password should be requested by e-mail to the NGO Branch/DESA, by clicking on the "Contact us" section of their website at: [United Nations Correspondence](#). The NGO Branch will request required documents to verify your association/affiliation to the NGO in order to share the link to reset your password that will enable you to log into the profile in our system.

Login details for the secure NGO Branch/DESA website are **confidential** and should not be shared. It is the responsibility of each NGO in consultative status to ensure that its profile section in the iCSO database is up to date, including the email address registered in the NGO profile section of the iCSO database. This email will be used by the United Nations for all important communications.

B. LOG IN TO THE iCSO DATABASE

To log in to the iCSO database, click on [iCSO database](#) and the following screen will appear:

Log into the system by clicking on "Login for the iCSO Database" and the screen below will appear.

Enter your username and password and click the button “Login” to log into the iCSO database.

II. DESIGNATING ANNUAL AND/OR TEMPORARY REPRESENTATIVES

Place your cursor on the “Consultative Status” divider. Four options will open (Applications, Re-classification, Quadrennial Report and Designations).
